- Signup for Spring Release Virtual Launch Event (April 2, 2019 at 8am CDT) - <https://info.microsoft.com/Microsoft-Business-Applications-Virtual-Launch-Event-April-19-Registration.html?cid=en-us>
- Talent Webinar Series - <https://info.microsoft.com/IntroductionToDynamics365forTalent-Registration.html>

How do I operationalize this?

- Enable Punchouts in F&O
- Embed a compliant Canvas PowerApp to show credit card info in a Model-Driven (D365CE) Contact Form
